Subject: Notes from the HCHY Committee

---

Speaker: Ned Parks gave a very interesting talk on his experiences speaking with young people. He stressed the need to be authentic, non judgmental and open; to be able to listen carefully and to open a dialog by asking questions to students on the issues of the day in order to get their perspective. A "Challenge Day" was again discussed and how this might happen at Copley.

#### Business Meeting

1. Secretary Report. The minutes from the February 28, 2007 meeting were passed around. Additional clarification on the Elections: Marcie is both President and a Trustee; Christine and Toni are both continuing Trustees; Deb Little is the Member at Large.
2. Treasurer's Report was given by Dale Panovich. There is a balance of \$2709.61.
3. Youth Committee had its own meeting. Childcare will be provided at the Craft Show on March 24, 9AM to 3 PM.
4. Our Youth Speak Out. At Bath, questions were generated by HCHY and then students were chosen to be on the panel. Discussion centered on the possibility of having this at Copley in mid- June, while counselors are still here.
5. Business Breakfast. Next planning meeting will be Monday, March 26 at 11 AM at Fairlawn Lutheran Church. Speaker suggestions have been narrowed to Wesley Allen from Allstate (Hudson) and Riley Lochridge from ComDoc (Green.) Actual event will be Nov. 14.
6. No More Bullies. Discussion followed with the suggestion from Counselor Bob Cowey to let things settle and after spring break find out where the Middle School is with this program. Bob currently meets with each 5<sup>th</sup> Grade class to present this topic. There is a possibility of HCHY helping with a Parent Training meeting that would be open to Bus Drivers, Play Ground Aids, etc.
7. Safety on Social Networking Websites for Parents of Teens  
\*Monday, April 23 at 7PM to 9 PM at the Akron Gen Health & Wellness Center\*  
Presenter: Don Philabaum, President/CEO of the Internet Association Corp.  
There will be an update by Officer Duane Scott on i-SAFE an Internet Safety program for Copley-Fairlawn & Revere. This program will be co-hosted by C/F and Revere C.A.R.E.
