

September 15, 2007

Notes from the HCHY Kickoff Breakfast

1. Asset Development Presentation by Marci Mason. Discussion about our mission which includes nurturing character traits and utilizing developmental assets.
2. Reviewed accomplishments from the past year, such as team building, Evening of Giving, Halloween event, teen dances, You Make the Difference, Relay for Life, Heritage Days dance, Safety Town, Business Breakfast, Virgil Walker Memorial, and Our Youth Speak Out.
3. Discussed having the Halloween event again this year. If so, 10 adults would be needed, and the area used for the event would not be so spread out.
4. Evening of Giving: Colleen Campbell will chair this event. Thank you to Colleen. The event will be held at Summit Mall and coordinated through the Simon Foundation.
5. Girl Scout Project: Christine Braman made a presentation on behalf of Nicole Pupino. Nicole's project is to support teens who are hospitalized at Akron Children's. Goal is to make 20 fleece blankets and collect crafts, books, DVDs, games, etc to be handed out to teens. Volunteers are needed to put together the craft kits, make blankets and collect other items.
6. Copley Police Department will have their Halloween event on October 27 at Copley Community Park. In case of inclement weather, the event will be held at Copley Middle School.
7. Note that the Copley School's calendar dates for HCHY meetings are not correct. See our website for correct dates.
8. Business Breakfast for Executives will be November 14. Corporate sponsorships are \$100/\$250. Speaker will be the CEO of ComDoc. Contact Marci for further information.
9. HCHY Youth Committee then had their own meeting.
10. Thank you to Dale Panovich for making breakfast.

Submitted by Cathy Hochevar

Next meeting Saturday, October 20, 8:30-10 am, Chambrel at Montrose
