Youth Committee report – No youth committee officers were present. Angela Smith has had some communication with current President Emily Gamauf. Suggestions were to move elections for new officers up to March, have a leadership training activity/event in June, partner with school staff and school organization(s), have monthly youth committee meetings, design a new brochure for students, and to consider decorating a Christmas tree for the Tree Festival at Children’s Hospital. Angela will be meeting with the youth officers.

“Copley Stands Strong Together” yard signs are being slowly but surely sold. Activity may pick up in the spring. Signs are available at Copley Town Hall and at Designer League which has moved to 2700 Copley Road and has a new name, *Your Name Apparel*. Signs are \$10.

A \$200 donation was approved for the newly formed Copley Police Department Explorer Post.

The chili cook off is March 24, 2012. Our booth’s theme will be Coca-cola. Please save empty Coke and Diet Coke cans as we may be making a Coke can wall.

As of January 28, Angela Smith is the new chairperson for the organization, Marcie Mason is the new Secretary, Dale Panovich will continue on as Treasurer.

Next adult committee meeting is Saturday, February 25, 8:30 am at Chambrel at Montrose.
